# FIRST WORD

## From Lack to Abundance; From Drought to Overflow, in the Presence of the Lord

Sis. Lynette Martin

In 1 Kings 18:21, Elijah went before the people and said, 'How long will you waver between two opinions? If the Lord is God follow Him but if Baal is God, follow him.' But the people said nothing.

For our circumstances to change we must know who we believe in and start shouting about the love of Jesus. We should not go on our feelings,

but stand on the Word of God. It is through prayer, fasting and a relationship with God that change happens. We should start applying the Word to our lives and trust God to deal with our problems. Our circumstances should not define us. Jesus is Lord of our lives and he has promised never to leave us or forsake us.

As children of God we are blessed and highly favoured. Like Elijah, the devil will always end up the loser if we put our trust and faith in God. Yes, our situations and circumstances will come to test our faith and there will be times we will feel low physically, spiritually, emotionally and mentally. Sometimes when things look bleak, we must keep believing that this too will pass.

Jesus said that with men things are impossible, but with God all things are possible (Matt 19:26). Sinach sings a song "Waymaker, Miracle worker, promise keeper, light in the darkness", that is who our Jesus is. Elijah was obedient to God, a man of prayer, who believed his God was greater than anything or anyone else, and he proved God to his community.
